'CERAMIC' - UNDERSTATED BEAUTY

Citizen's new 'Ceramic' collection offers understated beauty with unquestionable sophistication. Subtle, elegant and enduring... it exudes confidence without pretension.

Perfect for work or leisure, the 'Ceramic' collection gives you the confidence to do it all. It features a medium sized case with elegant mother of pearl dial; and has chronograph functionality with WR100.

The case and bracelet design is elegantly constructed with the perfect balance of both stainless steel and ceramic. The Citizen Eco-Drive 'Ceramic' collection is available in either pink or white.

Citizen's Eco-Drive technology harnesses the power of light – from any natural or artificial light source and converts it into energy, which is stored in an Eco-Drive energy cell. It recharges continuously in any kind of light to run forever.

Citizen Eco-Drive 'Ceramic' model FB1131-51D (White) and FB1137-55D (Pink) \$1,200rrp each.
