Media Release September 2009

**CITIZEN ECO-DRIVE 'SUPER CHRONOGRAPH'
OFFICIAL WATCH OF STONE BROTHERS RACING**

Citizen Watches Australia has partnered with V8 Supercar team Stone Brothers Racing signing a multi-year sponsorship deal with the three-time championship winning team.

The deal is part of a joint marketing initiative between Citizen Watches Australia and Citizen Watches New Zealand to promote the Citizen Eco-Drive 'Super Chronograph' watch from the Promaster collection.

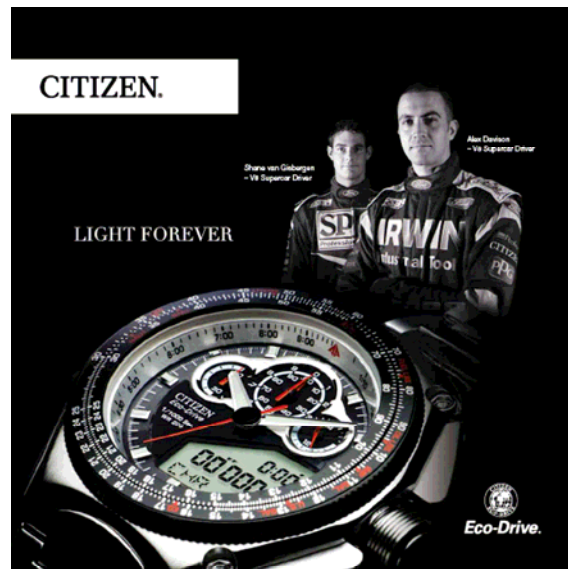

"The Citizen Eco-Drive Super Chronograph is every motorsport enthusiast's ultimate companion." **Ross Stone, Stone Brothers Racing.**

The 'Super Chronograph' measures time in 1/1000 seconds, calculates lap speed, is capable of recording 20 individual lap times, and has a function which allows the fastest, average and slowest lap times to be displayed.

The 'Super Chronograph' utilises Eco-Drive technology with up to seven years power reserve. Featuring 43 cities world time, daylight saving function, alarm, red LED backlight, and WR200, the 'Super Chronograph' timepiece is the perfect choice for your infinite driving adventure, no matter where in the world you visit.

Citizen's Eco-Drive technology harnesses the power of light – from any natural or artificial light source and converts it into energy, which is stored in an Eco-Drive energy cell. It recharges continuously in any kind of light to run forever.

Citizen Eco-Drive 'Super Chronograph' model JW0050-58E \$1,300rrp.
